Subject: Resignation of Paul C. Spor as Agent/General Manager  
Groundwater Permit UGW230001

Dear Mr. Brown:

The Division of Water Quality (DWQ) has received a letter regarding the resignation of Mr. Paul C. Spor as general manager. The Division has previously requested your company to meet certain conditions and submission of documents concerning your proposed project. A letter was sent to Mr. Paul C. Spor dated February 12, 1998 (see attached copy). However, due to Mr. Spor's resignation from your company, we are forwarding the request to you. This is based on a recent phone conversation with Mr. Gene Webb where he stated you would have primary responsibility for completing the closure of this facility.

Please refer to the attached letter for the list of requested documents. In addition, DWQ would want your company to submit a complete schedule of activities for the rest of this year. I am DWQ's contact person for North Lily Mining Company's groundwater discharge permit. Please send all future correspondence to me.

If you have any questions, please contact me at (801) 538-6084.

Sincerely,

*Beth Wondimu*

Beth Wondimu, Environmental Engineer  
Ground Water Protection Section
